The Coastline Credit union's Team Spirit Awards

These awards are open to local performers who will be performing in the groups section of this year's Dance Eisteddfod of all age groups and recognise not necessarily the best dancer but the dancer who best displays the qualities of sportsmanship, commitment, dedication, and team spirit.

These are the qualities that we are strongly encouraging in all performers.

Selection criteria includes the performers who both on and off the stage:

- Shows respect to all.
- Interacts positively with teammates and dancers from other dance schools.
- Supports teammates.
- Shows persistence, determination, and commitment throughout the year.
- Participates in group Activities.

This very important award does not necessarily go to the dancer with the most talent or skill but to the dancer with the most dedication and sportsmanship. This dancer is someone who could be depended upon to be present at each and every rehearsal, who works with the teachers and teammates for the good of the whole team. This dance student is someone who every dance teacher would like in their dance family due to their level of commitment and willingness to learn.

All local Dance Teachers are asked to submit names of local dance students who would be deserving of this award and provide a brief written explanation as to why this dancer is being nominated Via Email pmdes-dance@live.com.au. All nominations will be sent to Coastline Credit union who will select the winners.

At the end of the group presentation two winners will be chosen to receive the \$500 scholarships to be paid towards the recipient's tuition.
