1. **Ed School Music pickup will take place from the third Monday in September Each year.**
2. **Complementary Tickets will be dropped off when the Music is picked up.**

In previous years we have had issues with music recordings so now each year we collect the music from all local schools so that we can test it ahead of time.

We have been very successful in catching the bad recordings before Schools Night.

Please have each CD in a separate envelope/envelope marked with the following:

Example: Session: Primary Div 1

Competitor: 3

Name of Song / Dance: "Dance of the Sugar Plum Fairy" Grade 2 fairy's

Name of Person in charge of group on the night: Mrs Dance Teacher

Number of Competitors in the Group:22

Please keep a backup copy of your music with you recorded at a different time and test it in your car or device **other than a computer.**

If you are out of our local area, please email us as soon as possible so we can send your tickets.

Yours Wendy Stewart
